Trinity United is a community founded on the values of: *inclusive fellowship, living* faith, and joyful service. Everyone is wanted, accepted, and included.

We have children, that means noise, and that's no problem. If you would be more comfortable, we have a nursery where you can listen to worship with your child.

We hope that your worship experience will feed you and challenge you on your faith journey. Have any questions? Just find someone with a "Wonder Host" name tag. We project everything you will need to participate in worship. There are hymn books underneath the seat in front of you.

Visitors and Newcomers – please fill out one of our Communication Cards. We really want to get to know you!
